Dated : 24th October, 2018

Dear Sir/ Madam,

The next Convocation-cum-Scientific Seminar of National Academy of Veterinary Sciences (I) is going to be organized at Bhubaneswar in collaboration with Orissa University of Agriculture and Technology from December 19 - 20, 2018. The theme of the Scientific Seminar is 'Livestock Sector Towards One Health, Food Security and Safety'.

On behalf of Governing Council of NAVS (I) as well as on my own behalf I invite you to grace the event by your benign presence. The brochure of the Convocation-cum-Scientific Seminar is enclosed herewith for your information please. Various sessions include :

TS-1. Thematic Session

TS-2. One Health- Origin, Concept and Scope

TS-3. Food Safety and One Health

TS-4. Strategizing Food Security: Where we stand?

TS-5. Controlling Diseases of Zoonotic Importance

TS-6. Strength and Opportunities in Achieving Food Safety and Security.

TS-7. Swachh Bharat Abhiyan and Food Safety

The faculty members/scientists can present their research papers in any of the technical sessions mentioned above. As has been mentioned in the Brochure, registration for the **retired Fellows** is free of charge.

With the best of regards,

Yours Sincerely

[S.K. Gupta]
Secretary General
