## Proceedings of Election Process for electing Governing Council Office Bearers and Executive Members

Dated 1<sup>st</sup> December 2023

I, Dr Inderjeet Singh, Vice Chancellor, Guru Angad Dev Veterinary and Animal Sciences University, Ludhiana and Fellow of the NAVS(I) (year 2000-2001) was appointed Returning Officer for conducting the Elections to the Governing Council including its Office Bearers and Governing Council Members for 2024-26.

The election was conducted through sending postal ballots to every Fellow by 10<sup>th</sup> October, as per the list provided by NAVS Secretariat, by Speed-Post and received back the casted ballots by respective Fellows in sealed envelopes, latest by 30<sup>th</sup> November by 4 PM, which were already affixed with necessary postal stamps. In addition, to facilitate overseas Fellows and those who were travelling abroad, the scanned ballot papers were sent by email and also received back by email, which were then printed and sealed in envelope and put in ballot Box. Six yellow envelopes were received back undelivered and these were either resent on same address (5) or on corrected address (1).

At 11 AM on the last day of polling i.e. 30 Nov. 2023, the Ballot Box was opened in the presence of counting teams and Observer (deputed by one contesting candidate) while other contestants were allowed to observe counting online. AN enquiry was made from the post office just before 4 PM to check if any postal ballot was in transit to be delivered.

- Total 450 ballot papers A and B each were got printed and numbered from 1 to 450.
- Initially, 422 postal ballot papers were sent by post to given addressees and thereafter 6 papers were sent on same / corrected / temporary changed addresses.
- Email ballots were sent to 24 Fellows who were abroad.
- Overall 10 envelopes were received back undelivered.
- A total of 368 postal ballots were received back, besides 12 through email.
- All timely received ballots with due information of Fellow in the given format only were considered valid.
- Of 380, 4 postal envelopes were found tampered with and thus these were rejected and kept unopened. In addition, 5 ballots which were opened had the required Performa of Fellow not filled up and thus rejected.
- Only 371 ballots were found valid and included in counting.
